II. Mise en place des utilisateurs

II-1 aller dans l'onglet « people » et allez sur « creat New »

The screenshot shows the user creation form. The 'Information' tab is active. Fields include First Name (charlie), Last Name (charlie), Username (charlie), Password (w9W151c?qE1Eu@x), and Confirm Password. A 'Generate' button is next to the password field. There is a checkbox for 'This user can login' which is checked, and another for 'Email this user their credentials?' which is unchecked. The email field contains 'user@gmail.com'. At the bottom, there is a 'Cancel' button, a 'Return to all users' dropdown, and a 'Save' button.

II-2 Remplir les champ et cliquer sur « Save »
